Vince,

Don't use the Documentation CD – it is version 5.3.0.1 – use the regular install CD's. You do need 5.3.0.0. We dumped the 8 install CD's to disk, so I can't tell you which one it's on, but it should be there.

Michael,

I forced the fileset back but the CD has version 5.3.0.1 do I need to have 5.3.0.0?
