Here is a thread and an example C source from comp.unix.admin:  
[http://groups.google.com/group/comp.unix.admin/browse\\_thread/thread/46a29190cfef0e58/af299eb24e9ba0fc%23af2](http://groups.google.com/group/comp.unix.admin/browse_thread/thread/46a29190cfef0e58/af299eb24e9ba0fc%23af2)

Maybe help.  
Regards, Zoltan
