Not really – Some years back MS made a big issue about CSS. It was then that I lost interest in web devel. Besides – web devel isn't my bag, so I really don't think that I need to have or get a clue.

One does not need to know how to rebuild an engine to know how to drive the car.

You can't expect to hit the jackpot  
if you don't put a few nickles in the machine.
