Sue Howard <[howardsue@gmail.com](mailto:howardsue@gmail.com)> writes:

: Anyway, since devicestat is only used for collect statistics, I'd like  
: to remove the this type from the devstat. And we can implement this  
: type into devclass(device\_t?? maybe). This is what I proposed. It will  
: bring some benifits like remove the long regex to match NIC interface  
: in devd.conf, etc.

One can actually remove it already because the 'link up' messages from  
the network layer are sufficiently unique...

Warner
