Dear Investors,

We recently have determined that different computers have logged into your SwissCash Account, and multiple password failure were present before the log on. We need you to re-confirm your account information with us now. If this is not completed we will be forced to suspend your account indefinitely. We thank you for your cooperation in this manner.

To confirm your account records click here :

We apologize for any inconvenience this may cause, and appreciate your assistance in helping us maintain the integrity of the entire SwissCash system.

We thank you for your prompt attention to this matter. Please understand that this is a security measure intended to help protect us and your account.

Thank you,
We are here always to serve you better.

Best regards,

The Administrator :: SwissCash
