Hi All,

It is time for the quarterly Status Reports. As always, reports are encouraged for anything that relates to FreeBSD development, documentation, independent projects, or anything else that might be interesting to the community as a whole. Reports should be one to two paragraphs in length.

The template for submissions is here:  
<http://www.freebsd.org/news/status/report-sample.xml>

Submissions should be submitted to monthly at FreeBSD.org by April 7th.

Regards,  
Brad Davis
