Garrett Cooper <[youshi10@xxxxxxxxxxxxxxxxxx](mailto:youshi10@xxxxxxxxxxxxxxxxxx)> writes:

: Hi,

: I was just wondering if there was any way where I could program with

: C, such that I could view information regarding the extra pins on a

: DB9 serial port other than just TXD and RXD, ie the DTS, CD, CTS,...

: etc ports.

: I am trying to figure out how exactly Hyperterm works as part of a

: project with programming a PIC microprocessor.

man 4 tty
