Hello Mario,

Sunday, August 27, 2006, 12:19:06 AM, you wrote:

Hi;

My /usr/ports directory was occupying 24 gigs, of which 20 was just from the 'work' directories !

Removing them one by one was a pain so I wrote this little utility to wipe them off.

try portsclean(1) which IIRC belongs to sysutils/portupgrade.
