On Sun, May 07, 2006 at 07:47:27PM +0100 I heard the voice of Robert Watson, and lo! it spake thus:

In past discussion, I think a reasonable conclusion has been some amount of both.

I've still got
<<http://bsd.slashdot.org/comments.pl?sid=162629&cid=13611424>> sitting around in my bookmarks from a previous iteration. Point (5) makes me twitch every time I read it ;)
