yeah your missing '/path/to/this/server.crt' read the error next time it tells you exactly what was wrong

hi,
after i type apachectl startssl then it display :

Syntax error on line 142 of /usr/local/etc/apache2/httpd.conf:
SSLCertificateFile: file '/path/to/this/server.crt' does not exist or is empty

i don't what's the problem it is.

regard,
