Hi Dimitris. Thanks for taking the time to post a [SOLVED] message.

I've prepared a proposed change/addition to the article, which is now online in diff/patch format at:

<http://hg.hellug.gr/freebsd/doc-el/rev/96b47edf541f>

The text is in Greek, so it would be nice if you could review the section I added (the 'green' lines). Then if both you and Nikos like the changes, I can commit it to the main CVS tree too.

Hi Giorgos.

I like the changes you made and I think you should include this part to the article. It will help many Greek users out there :)

Committed, thanks! The changes should appear online after the next automated rebuild of our docs :)
