To: "HP-UX Admin List (hpux-admin@dutchworks.nl)" <hpux-admin@dutchworks.nl>

Hi,

Can anyone tell me what the following lines mean at the bottom of the output from the symcfg command:

Number of Configured (Sym) Devices : 24

Number of Visible (Host) Devices : 40

Number of Configured Actual Devices : 10

I am trying to find out if I have any real disks in the Symmetrix disk subsystem that are not currently used.

thanks

Julian
