Hello !

This can sound a bit like a spam, but I think someone might be interested.

I am selling 4 servers of the 800s type. Twice 40H, one 30H and one 867S.

You can bid for them on Ebay, the bid starts with 1 euro, the link is here: <http://cgi.ebay.de/ws/eBayISAPI.dll?ViewItem&item=3051534219&category=8074>

Servers are fully functional and they come together with monitor and keyboard.

Because of the big dimensions of the servers its only available for self pickup.

Location : Slovenia

The equipment can also be exchanged with some other preferably smaller equipment.

Then you dont pay a cent for it.

Feel free to contact me if you are interested.

Regards, Jan
